Mr. Mark W Allen
A.J. Allen Mechanical Contractors Inc.
320 SE 6th Street
Des Moines, IA 50304

Dear Mark,

Would you like your company's message to reach the active leadership of the heating, ventilation, air conditioning, and refrigeration engineering community in the Minneapolis/St. Paul, St. Louis, and Chicago markets? Many of these individuals represent firms with projects around the country and the world, and many are coming to Hotel Fort Des Moines here in Des Moines, May 7th-9th, 2009.

The Iowa Chapter of ASHRAE (American Society of Heating, Refrigerating and Air-Conditioning Engineers) is hosting, Thursday thru Saturday, the Chapter Regional Conference 2009 (CRC 2009). Our theme "Fields of Green – Banking on our Future" is supported by Iowa's drive to become a world leader in renewable technology, and will be carried out thru the vendor display area, multiple banners and posters, as well as the technical presentations. Approximately 250 Chapter leaders from throughout Region VI will gather to meet with Regional and Society officers to discuss ASHRAE operations and listen to a roster of technical speakers from around the nation.

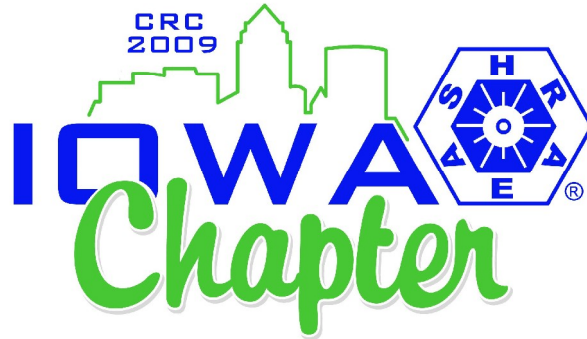

The Iowa Chapter of ASHRAE only gets the opportunity to host this regional conference every 13-14 years, so we want to do an extraordinary job in providing the best professional program for all the participants from our five state region. We need your financial and volunteer help so we can leave the strongest positive impression of Des Moines possible.

As host Chapter, we are actively seeking sponsors to help offset the cost of this conference. To provide flexibility, we are offering multiple levels of sponsorship. Ranging from a "Green" or grass-roots level donor of \$100, up to a "Platinum" level donor of \$2,500 or more. Each donor level comes with its associated level of recognition and benefit. The higher the donation, the higher level of recognition.

Please review the second sheet to find the ways that you would like participate. Any questions, please do not hesitate to contact me at (515) 309-4522, or e-mail me at kccartwright@trane.com.

Sincerely,

Kit Cartwright
ASHRAE Iowa Chapter President 2008-09
