For a list of scholarships, complete eligibility requirements, and application, visit [www.ashrae.org/scholarships](http://www.ashrae.org/scholarships)

Scholarships are awarded based on the following and for the academic year following the application deadline beginning with the fall semester:

1. Full-time enrollment in an accredited engineering or engineering technology program recognized by ASHRAE
2. A cumulative grade point average (GPA) of at least 3.0 on a scale where 4.0 is the highest and/or a class standing of no less than the top 30% evidenced by an official transcript of grades or statement from a school administrator.
3. Three letters of recommendation, including an instructor or faculty advisor, a current or past employer, and another character reference. In the case of institutions with an ASHRAE student branch, include a letter from the faculty advisor of that branch (may be one of the three letters of recommendation).
4. Evaluation form completed by the Student Activities Chair of a nearby ASHRAE chapter following an interview with the applicant.
5. Potential service to the HVAC and/or refrigeration profession
6. Financial need
7. Leadership ability (activities, leadership roles, community service, etc.)
8. Work Ethics (summer jobs, part-time jobs, etc.)

**IMPORTANT: Submit completed application with the following supporting documentation in one package postmarked on or prior to the application deadline: an *official* transcript of grades (if college grades are not available by the application deadline, submit high school transcript *and* verification of enrollment or letter of acceptance from a post-secondary educational institution), letters of recommendation (see above).** Transcripts and reference letters should be submitted in individually sealed envelopes with the application. Re-applications accepted from qualified former scholarship recipients and applicants provided they meet current criteria.

I believe all of the above information to be true and complete and I hereby apply to the American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc. for an ASHRAE Scholarship. I certify that I am not receiving full funding for my education from an employer, any branch of the Armed Services or other organization. I authorize ASHRAE to obtain and review my academic records (including but not limited to official transcripts). In signing below, I agree to hold ASHRAE harmless from any and all liability for damage, injury, or loss sustained by me in connection with this application, including but not limited to, the acquisition by ASHRAE of my academic records.

I authorize ASHRAE to forward this application to an ASHRAE chapter in my area for possible consideration of local scholarship opportunities.
