

Design Professionals Day on the Hill

ASHRAE Iowa Members,

We encourage you all to participate in this year's AIA Design Professional Day on the Hill at the Iowa State Capital February 24, 2020. The event runs from 12:00 pm to 3:00 pm in the Capitol Rotunda.

This will be a great opportunity to speak with other design professionals and legislators about issues that impact the design community.

The Iowa Chapter will be hosting a booth with educational information for legislators including the STEM rig. Volunteers are needed.

For further information or if you would like to help with the booth please contact Matt Swenka at mswenka@willdan.com or 515.271.9911.
